

EDUCATION

1. Where are you located?

We are located beside the Virginia Museum of Fine Arts, at 428 N Boulevard, Richmond VA, 23220.

2. Where should we park?

See attached map for parking instructions. We have a specified bus loading/unloading zone on the side of our building, and bus parking located at the front on Boulevard.

3. What if we are late to our program?

Depending on your schedule, and ours, we will do our best to complete all booked programs. However, your program may be shortened or modified to accommodate the late arrival.

4. Can we eat lunch with you?

While we do not have any food service onsite, you are welcome to use our outdoor picnic tables for prepacked lunches - available on a first come, first serve basis. We may occasionally be able to accommodate indoor lunch in our classroom, but advance notice is necessary for us to check our schedule. No food or drink is allowed in the galleries.

5. Can we stay after our guided tour?

Absolutely! We would love for you to stay and view our other wonderful exhibits. Please just let us know prior to your trip that you are expecting to stay for additional self-guided time.
