

## APPRAISERS

The Virginia Historical Society appreciates the generosity of those who donate items to the collections. Gifts to the historical society are generally tax deductible, and in most cases an appraisal of the donated item is required to receive a deduction. The historical society does not provide or pay for this service but has compiled this list as a courtesy to donors who may wish to hire an appraiser.

The appraisers listed below have agreed to include their names on this list. Before hiring an appraiser, you may wish to inquire about their qualifications and fees. We do not endorse or guarantee their work in any way. (NOTE: Addresses of appraiser internet sites have been provided by the appraiser. If you have questions or concerns about these web sites you should contact their respective site administrators or webmasters.)
