Museums for All is a national program that encourages people of all backgrounds to visit Museums regularly. Through the program, individuals receiving food assistance can access reduced or free admission to Museums across the country by showing their Electronic Benefit Transfer (EBT) card.

Several Richmond-area Museums participate in the program to make quality museum learning experiences available to everyone. Contact each organization to learn more about their Museums for All program.

At all four locations of the Children's Museum, we inspire growth by engaging families in the power of play, knowing that everyone can learn more—and learn better—when they play together.
